Due to sell-out shows and an overwhelming audience reaction, Theatre Rhino's production of Joe Orton's raucous sex farce will extend at The Rhino through October 7th. Orton's tale of one very horny hospital and its sex starved, gender confused denizens is now a modern classic. See what's cooking as the patients and doctors mix up genders, partners, clothing and sexes. Classic comedy has never been this raunchy or this much fun.

Theatre Rhinoceros, America's longest running professional queer theatre, develops and produces works of theatre that enlighten, enrich, and explore both the ordinary and extraordinary aspects of our queer community.
