Same-Sex Marriage: pot of gold or crock of [poop]? Come explore the issue via celebrity call-ins, easy game shows, direct actions and a whole lot of drama. A new piece of theatre from John Fisher (*Schönberg, Queer Theory*), David Bicha (*Acid Housewife, What the Butler Saw*) and Maryssa Wanlass (*Schönberg, Awe About Eve*), with the DVDJ stylings of mix-wizard davidmahr. With special guest appearances by Jeffrey Hartgraves and Matthew Martin. A work in progress, development, workshop, whatever – probably not ready for review but you're welcome to try.

Theatre Rhinoceros, America's longest running professional queer theatre, develops and produces works of theatre that enlighten, enrich, and explore both the ordinary and extraordinary aspects of our queer community.
