Thirty years of comedy, sex, politics and fun onstage in a single evening. *Theatre Rhinoceros: The First Thirty Years* celebrates all the fun with a show of original songs and scenes from three decades of new theatre about the love that not only speaks but also shouts, sings and dances its name.

**Theatre Rhinoceros**, America's longest running professional queer theatre, develops and produces works of theatre that enlighten, enrich, and explore both the ordinary and extraordinary aspects of our queer community.
