She's fearless and freakin' hilarious! She's Suzanne! Back with Theatre Rhinoceros for two shows only at the historic Victoria Theatre, these are Suzanne's only two SF performances this year. She wowed you in '07 when we brought her to town, now she'll wow you again! She's the star of the Logo Channel, Sweet Cruises and so much more - live, in person, and hysterical!

Publicity pictures will soon be available for download on our website — www.TheRhino.org

Theatre Rhinoceros (John Fisher, Artistic Director), America's longest running professional queer theatre, develops and produces works of theatre that enlighten, enrich, and explore both the ordinary and extraordinary aspects of our queer community.
