We develop and produce works of theatre that enlighten, enrich, and explore both the ordinary and the extraordinary aspects of our queer community. Our emphasis is on new works, works about under-represented members of the larger queer community, and revivals of lesser-known queer classics. Over the years Theatre Rhinoceros has received many awards of recognition including: Theatre Rhinoceros Day in the City Proclamation from Mayor Gavin Newsom, State Assembly Certificate of Recognition from Senator Mark Leno, recognitions from Congressperson Nancy Pelosi and Assembly Persons Tom Ammiano and Carole Migden, numerous Cable Car, BATCC and TBA Awards and Nominations, and the GLAAD Media Award for Best LGBT Theatre.
